Wa-Keeney 5, Gove 0.

The third game of the Wa-Keeney-Gove series was played at the east side park last Saturday afternoon to the record-breaking crowd of the season, over five hundred enthusiastic fans were present. The game was a fast and close one up to the fourth inning when Smee was injured while running to first by striking his knee on Samson's foot, causing a very painful injury that will keep him out of the game for some time. Everybody (even the Goveites) said Gove would win on account of Smee out of the game.

Newton Dugan who lives north of town is an old ex-pitcher having pitched for teams in eastern Kansas, took Smee's place in the box and the way he delivered that ball reminded us of Rube Waddell. He kept the Gove boys guessing not one of them hitting him hard. It was a great game and all of our boys played good ball.

The following is the score by innings:
